## Brief introduction

Taizhou Hongjia Valve Co.,Ltd. is located in Ganjiang Industry Zone of Yuhuan in the southeast of Zhejiang which has the name of "A Pearl in East China Sea" in China. Our company owns strong technical capabilities, advanced equipments, self-operation import&export right, is mainly engaged in manufacturing various PP-R Inserts, Brass valves, Angle valves, Faucets, Brass fittings and water heating accessories. To similar products in China and from foreign countries, we adhere to tenets as "Quality First", "Strive for innovations". We strictly control selection of materials, go all out to make products more nice, firm and reliable relying strict testing procedures by advanced technologies and equipments. Furthermore, we export products to countries and regions in Europe, America, Middle East and Southeast Asia owing to prominent product quality and reliable enterprise credit and reputation.

Today, Hongjia enterprise will participate in competition and exploitation actively, and will step forward to future with fresh, unique, stronger and more attractive poses. We sincerely hope to establish friendly and mutually beneficial cooperation relationship with customers in China and from foreign countries, and create a more splendid tomorrow together.
